

Risk Assessment

As in all clay target shooting sports, there is the possibility of cartridge deflection off trees, targets and other solid objects on the shooting course. Likewise pieces of clay targets (and even whole targets) may fall near or even hit the shooter. The use of protective shooting glasses is therefore required, as is the use of ear protection.

Disclaimer

- I have read and understood the risk assessments provided by Tÿ Gobaith and the participating organisations for this event.
A copy of the risk assessment can be accessed at www.charityshoot.co.uk
- I have no medical condition or nervous disorder likely to cause a danger to myself or others whilst I am in possession of a firearm.
- I am fit to take part in the event and agree to inform Tÿ Gobaith of any new medical conditions that may affect my ability to take part in the event.

I understand the inherent risks involved in recreational sport shooting and by my signature, hereby RELEASE, WAIVE and DISCHARGE, Tÿ Gobaith, its employees, officers and volunteers from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, or injury including death, that may be sustained by my person, or to any property belonging, while participating in the Tÿ Gobaith Charity Shoot at Bodnant Estate on Wednesday 23rd May 2018.

All participants must have agreed to, and signed, this disclaimer before being allowed to participate.
